

How To Start Pulling In Hyper-Responsive Leads In As Little As 1-Hour Worksheet

Presented By Mark Harbert and Ray Higdon

Important Tip's For Getting The Most From The Workshop:

Print Off This Worksheet For Use During The Workshop:

It is recommended that you print off this worksheet and use it to take notes.

Watch the Training On A Desktop / Laptop Computer:

To get the best viewing experience, it is HIGHLY RECOMMENED that you DO NOT view the training on a mobile device, but rather your desktop / laptop.

Eliminate All Distractions During The Training:

Shut off your phone, shut off Facebook, close out Skype, and quit your email. This information is potentially life changing and I don't want you to miss any of it. Give Ray and I your undivided attention for 1 hour and I promise you won't be disappointed in the least.

Use The Following Area For Taking Notes:
